Week 2

Another great week of camp! With lower temperatures and lots of sun, this week was a blast for campers.

Tuesday: Jersey day! Many campers sported the jerseys of their favorite sports figures. Many campers took the time to paint and decorate large tropical fish. In the afternoon, a camp-wide capture the flag game took place on the point.

Wednesday: Superhero day! Campers came to camp dressed as their favorite superhero. A group of girls came sporting purple shirts, sunglasses, khaki shorts, and clipboards...

Customizing rubber ducks with paint and glitter kept many campers occupied in the afternoon. The squeaks from these colorful crafts emanated across camp. The afternoon large group activity was a daycamp dollar hunt on the point. Campers can use the daycamp dollars that they found in the hunt to purchase candy and other treats at the daycamp store

Thursday: today campers were active in the water and creating wonderful sports pendants. Campers participated in four square tournaments and several rounds of World Cup!

Heads up!

Be sure to check out the Country Club website for extra copies of the calendar and information forms.

Also feel free to friend SCCDAYCAMP on facebook to check out daily pictures of campers

For next year... we will be having swim lessons be mandatory for all campers- more info to come at the end of this summer ☺
