

SCC Day Camp Newsletter #3  
July 22, 2010  
Week 3

**Tuesday July 20<sup>th</sup>**

Twin day here at camp. Campers came in pairs and multiples and everyone looked great. We played several rounds of Blob Tag together as a large group. Be sure to check out pictures online (Facebook Friend- SCCDAYCAMP) Older campers went to the cove with their counselors and a few lifeguards.

**Wednesday July 21<sup>st</sup>**

Our first day with a storm. We took all of the campers into the building because of the severe winds and lightening. We lost a few pairs of crocs in the lake but all of the kids were kept safe inside doing a variety of crafts.

**Thursday July 22<sup>nd</sup>**

Last minute this morning we changed our craft to kites because it was so windy. It was perfect! Each camper got to decorate their own kite and then fly it all afternoon. A few got tangled in the trees but everyone had a great time! Wiffleball tournaments were going on all afternoon and kids played several games of World Cup. Kids and counselors drew designs on the pavement with chalk.

**\*\*\*\*Upcoming Dates\*\*\*\***
